## Primary Election This Afternoon—Sons of Cambria Unanimously Endorse William Connell—Other News Notes.

Interest in the primary election to be held this afternoon, between the hours of 4 and 7 o'clock, is at a high pitch in West Scranton, and from present indications an unusually large vote will be polled. The friends and adherents of Congressman Connell are actively at work in every district and will give him a large majority over his opponent, John R. Farr.

The people of West Scranton have not forgotten the many favors shown them by Mr. Connell in the past, and he has always manifested particular interest in religious and musical circles. When the need of a branch postoffice was brought to his attention by the West Side Board of trade, it received his approval, and it was through his influence at Washington that the office was established.

The friends of John Courier Morris, John Penman, Charles F. Wagner, Evelyn Jones and W. E. Evans are making an active canvass in their behalf for the nomination of county commissioner, and a lively battle of the ballots is promised this afternoon.

The fight for the nomination of mine inspector between Evan C. Davis, Henry W. Evans, Lievellyn W. Evans, William R. Evans, James M. Thomas, and David T. Williams is being made in a vigorous manner, free from personalities, and has already aroused general interest.

### Sons of Cambria.

An enthusiastic meeting of the Sons of Cambria was held in Co-operative hall last evening at which nine new members were elected, and seven applications were received.

The organization is but six months old, yet it is one of the strongest in existence in West Scranton, numbering 274 members. The society also has a social feature in connection with it, numbering 78 members. Last evening they enjoyed a smoker at Watkins hotel, at which speeches were made and songs were sung.

At a recent meeting of the club Hon. William Connell was unanimously endorsed for the congressional nomination, and a resolution was adopted pledging the support of every member to work faithfully in his behalf at the primaries today.

The officers of the Sons of Cambria are as follows: President, John Henry Jones; vice president, Evan L. Evans; treasurer, Thomas M. Watkins; secretary, Owen E. Jones. Executive board

# THE LAST SPECIAL OFFER.

## Doctor Churchman Byers Will Treat All Persons Applying Before August 1st for the Nominal Sum of \$15 Until Cured, Medicines Included—This Does Not Mean \$15 a Month, but \$15 for a Complete Cure—All Cases Accepted This Month Under a Positive Guarantee to Cure or Money Refunded—This Is Positively the Last Special Offer Doctor Byers Will Ever Make—The Great Quaker Physician Performing Cures Almost Akin to Miracles.

Borne out upon the breath of this wonderful testimony has been the which has stirred and awed. Criticism, even contempt, it attracts the marvelous record of the results of medical skill, but manifold human voices telling the sick of one who has the gift of healing.  
There was at first extended to Doctor Byers' success, which his record as a trained surgeon and scientist demanded. Then the attention of the whole country was held by the news of his multiple cures, and people by long journeys to him and doctors by published praise paid their tribute to the famous Physician. Who was to them the exponent of the highest medical skill.  
But as this multitude of cures has increased like waves following one another on the beach, like leaves falling from autumn branches, like snowflakes covering the ground, until beyond number, the people have seen in the Great Quaker Physician that quality beyond and above all medical skill, that quality which the doctors recognized in him long ago—  
*The gift of healing.*  
It is that given to him as the inheritance of his birth, as much a part of the being as his manner of speech or his habits of thought, that has made and is making that which has changed respectful attention to the regard almost akin to reverence which inborn qualities alone could command.  
Doctor Byers could command most any fee, and his regular charges are high, but in order to give every one an opportunity to be cured at a nominal price, he will agree to treat all persons applying before August 1st on the following terms:  
He will guarantee to treat all persons applying at his office before August 1st for the nominal sum of \$15 until cured. That is, \$15 covers the entire cost for a cure, medicine included, and no further fee will be asked.  
He furthermore agrees, that if the patient is not completely cured in a specified length of time to return the money paid with no further quibbling or evasion. It has always been the principle of his life never to keep a fee unless the patient was cured.  
Doctor Byers wishes to make it emphatic that this offer expires on August 1st, and under no circumstances will he treat patients at a special rate again. This is absolutely and positively your last chance to be cured at a nominal price.

### FIERY SKIN DISEASE.

Mrs. Samuel Brokenshire, Jermyn, Pa.: "For over ten years I suffered the most agonizing pain from eczema. Both legs were entirely raw from the knees down to the feet. They itched and burnt so I had to sit and fan my legs to keep them cool. Had to lay at night with my legs on a pillow. Had spasms as the result of the pain, coming on every 20 minutes. My friends expected me to die in every spasms. All doctors gave me up, said it was impossible to cure me or even for me to live. Reading about Doctor Byers' husband decided to try him as my last resort. His treatment acted like magic, the pains and itching has entirely ceased, I sleep all night, have no more spasms, am able to do my housework, and the legs are almost healed up. I feel that Doctor Byers has saved my life."

His X-Ray outfit is the most elaborate and complete in this country. He asks no compensation.

### LUNG TROUBLE.

M. H. Fine, 888 Union St., Petersburg (City): "I would like to add my testimony to the many others who speak of your success in treating them. I have made such wonderful improvement since being treated by you that I feel it would be an injustice to you if I did not acknowledge it to the public. You are at liberty to use this letter. Possibly it will be the means of some suffering making another effort to cast off that burden of life, that dreaded disease, Asthma, Catarrh or Bronchial trouble. I had tried many advertised remedies, but failed to receive benefit in every case and had fully made up my mind not to be deceived any more, believing that all advertised remedies to cure chronic disease was a self and was just robbing the afflicted. Your treatment has put new life in me. I begin to feel that the distress of the chest and breathing is a thing of the past. In December, 1891, I was taken with grippe and ever since I have been troubled with a shortness of breath and had given up all hopes of ever getting rid of the distress, but I think the good Lord that I have found one doctor whose treatment is within reach of all and who does as he advertises to do. I can honestly say from personal experience that Dr. Churchman Byers is no fake."

### DISEASE OF BOWELS.

Mrs. Barbara Dickson, Parker street, Providence: "I had chronic diarrhoea for fourteen years, which caused violent bearing down and dragging pains in my abdomen and loins. My bowels were often moved as high as seven times in one day. The attending family brought about severe protruding piles. These caused me much misery. When I went to Doctor Byers' office I was so weak from my suffering that I could hardly drag myself along. The first treatment he gave me drove all the pain out of my hips and legs. My bowels now move regularly one day, and the piles have ceased to trouble me. God bless the good Quaker doctor for what he has done for me."

### CURING RHEUMATISM.

Mrs. Kate Miller, 328 Quay avenue: "I had been troubled with darting, aching pains in my right arm and in my feet so bad at times that I could not use my arm and could scarcely walk on account of being crippled up so. I had considerable heart trouble. As a result of Doctor Byers' treatment I am entirely free of these symptoms, and recommend the treatment to my friends."

### STOMACH TROUBLE.

Mrs. Jane Spang, corner Larch street and Wyoming avenue: "I had been troubled with my stomach for a good while. After eating I had such bloating spells it caused distress and smothered up sensation, dizziness, nervousness, and an all-gone feeling. As a result of Doctor Byers' treatment I am entirely free of these symptoms, and recommend the treatment to my friends."
